# Lewis Fosdork's Green Lantern

## Oaths

Alan Scott:

O'er dark evil, I shed this light,
For dark things cannot stand the sight,
I shall display my righteous might,
Beware my bright Green Lantern Light!

The Green Lantern Corps. (unchanged from comics):

In brightest day, in blackest night,
No evil shall escape my sight,
Let those who worship evil's might—
Beware my power, Green Lanterns' light!
